Can we help you with something during your trip, let us know. Have a good trip!

ARRIVAL

We will prepare your contract and other required documents. The salary indication that you have received during the recruitment process is the net amount that will be paid for a 40-hour working week, including travel costs, insurance and accommodation. If you work less, you will receive less salary. In certain cases we may not reimburse accommodation if you are not working. Overtime is always in consultation with the customer.

The appointment at the Town Hall to register for social insurance in the Netherlands (BSN) has been made.

You receive more information about the client and the project.

We arrange your registration for health insurance.

We will inform you about the accommodation where you will stay.

If everything is arranged, you will go to the accommodation. Your first working day starts the next day.

Your wage is based on work experience, own car / driver's license.

SALARY

Uncertainties? mistake?
Call us!

Every Friday afternoon we receive your timesheet via email or WhatsApp.

The payment of your salary takes place every Wednesday before 5 pm.

PLEASE NOTE: if your timesheet is not on time or incomplete, your payment will be paid one week later.

We comply with all laws and regulations and ensure correct remuneration.

DO'S & DON'TS

Make sure that you are present earlier of the agreed time on the first working day. Minimum 20 minutes.

In the Netherlands, safety and safe working are very important to you and to your colleagues, there are strict rules for this.

Introduce yourself to the foreman and other people you work with.

In the Netherlands, it is good if you ask questions or bring ideas.

The Dutch are open and direct in communication. If you don't feel comfortable with something, call us!

You represent the customer and Worxx during work, but also after work!

So be tidy, correct and respectful at work, but also in the accomodation!
